Quality You Can Feel, Service You Can Trust

Who are we?

ZeNK Private Limited specializes in high-quality medical disposable items and PPE, with a focus on our flagship ZeNK Gloves, offering superior protection and comfort.

Our product range is designed to meet both the specific requirements and strict standards demanded by healthcare professionals. Our range includes items in the below categories:

- ✓ **Gloves**
- ✓ **PPE**
- ✓ **Wound Care**
- ✓ **Respiratory Care**
- ✓ **Diagnostic & Treatment**
- ✓ **Lab Supplies**
- ✓ **Office Supplier**
- ✓ **Cleaning Supplies**

ZeNk's Founder

Founded by Dr. Nishaal G. Krishnan, a General Practitioner based in Co. Donegal, ZeNK aims to provide reliable, affordable medical supplies by leveraging strategic relationships with manufacturers.

Nishaal G. Krishnan, Founder & CEO of Zenk Private Limited

Disposable Gloves

Our selection of disposable gloves offers reliable protection and comfort for a variety of tasks. From nitrile and latex to vinyl and HDPE, these gloves are ideal for medical examinations, cleanroom environments, food handling, and industrial applications. Each type is designed to provide durability, sensitivity, and ease of use, ensuring your hands are protected in any environment. Explore our range of powder-free, latex-free, and chemical-resistant options to find the perfect fit for your needs.

01

Nitrile Gloves

Nitrile Gloves - Blue

High-quality, non-allergenic, powder-free nitrile gloves are designed for comfort and durability. Suitable for various industries, including healthcare, food service, and automotive. They provide excellent protection and are a great fit ideal for tasks requiring hygiene and chemical resistance. They are widely used in catering, healthcare, automotive garages, and daily household tasks like cleaning and painting.

- ✓ **Non-allergenic and Latex-Free:**
No latex proteins that could cause allergies, making them safe for everyone.
- ✓ **Powder-Free:**
Reduces the risk of contamination and allergic reactions.
- ✓ **Soft and Durable:**
Provides excellent softness and a comfortable fit for long-term wear.
- ✓ **Textured Fingertips:**
Enhanced grip for precise handling.
- ✓ **Ambidextrous Design:**
Fits both hands, ensuring convenience and ease of use.
- ✓ **Single-Use and Non-Sterile:**
Designed for single use to maintain hygiene and prevent cross-contamination.
- ✓ **Versatile Use:**
Suitable for clinical settings, health and beauty industries, industrial manufacturing, food service, and more.
